

MAINTENANCE & ENHANCEMENT AGREEMENT

This agreement outlines optional ongoing services provided by Engineering Realty LLC for the Custom Desktop GIS Data Tool.

Maintenance Services

- Minor updates to maintain compatibility with public GIS endpoints
- Bug fixes related to data retrieval and export
- Limited email support

Enhancement Services

- New datasets (parcels, zoning, STR licenses, business licenses)
- New search filters or reporting formats
- UI improvements or additional tabs/pages
- Custom joins or exports

Pricing Options

- Maintenance Retainer: **\$150–\$250/month**
- Enhancements: **\$150/hour** or fixed-fee quotes

All maintenance and enhancement services are optional and billed under separate written agreement or statement of work.
